Al Qaeda, et al.*, Case No. 04 Civ. 5970, and *Cantor Fitzgerald & Co., et al. v. Akida Bank Private Ltd, et al.*, Case No. 04 Civ. 7065, propound and serve on Dallah Avco Trans Arabia (hereinafter "Defendant" or "Dallah Avco"), the following Jurisdictional Requests for Production of Documents to be answered fully and under oath, pursuant to Rule 34 of the Federal Rules of Civil Procedure, within 30 days of their receipt.

INSTRUCTIONS

1. In producing documents and other things, Defendant is requested to furnish all documents or things in its possession, custody or control, regardless of whether such documents or things are possessed directly by Defendant or by Defendant's employees, agents, attorneys, accountants, auditors, investigators, or other representatives.

2. Documents are to be produced in full; redacted documents will not constitute compliance with this request. If any requested document or thing cannot be produced in full, Defendant is requested to produce it to the extent possible, indicating which document or portion of that document is being withheld and the reason that document is being withheld.

3. In producing documents, Defendant is requested to produce the original of each document requested together with all non-identical copies and drafts of that document. If the original of any document cannot be located, an identical copy shall be provided in lieu thereof, and shall be legible and bound or stapled in the same manner as the original.

4. Documents shall be produced as they are kept in the usual course of business or the documents shall be organized and labeled to correspond to the categories in this request. All documents shall be produced in the file folder, envelope, or other container in which the documents are kept or maintained by Defendant. If, for any reason, the container cannot be produced, produce copies of all labels or other identifying marks.

5. Documents shall be produced in such fashion as to identify any organization, department, branch, or office in whose possession it was located and, where applicable, the natural person in whose possession it was found and the business address of each document's custodian.

6. Documents attached to each other should not be separated.

7. If any documents requested herein have been lost, discarded, destroyed, or are otherwise no longer in Defendant's possession, custody or control, they shall be identified as completely as possible including, without limitations, the following information: date of disposal, manner of disposal, reason for disposal, person authorizing the disposal and person disposing of the document.

8. Documents shall be produced in such fashion as to identify which request(s) they are responsive to.

9. Each of these requests shall be continuing. If at any time after production of these requests any information becomes available that calls for any supplement to a previous response, provide such documents within a reasonable time period from the time when it becomes available.

10. If Defendant asserts a privilege or other authorized protection with respect to any document requested herein, Defendant is required to provide a privilege log that conforms with

the requirements set out in the November 19, 2012 Order Governing Identification of Privileged Documents (ECF No. 2644), including providing the following information concerning each document withheld:

- a. The type of document or information (e.g., letter, notebook, telephone conversation, etc.);
- b. The general subject matter of the document;
- c. The date of the document;
- d. The authors of the document, the addressees of the document and any other recipients, and where not apparent, the relationship of the authors, addressees, and recipients to one another;
- e. If the document is an electronic document, its file size; and
- f. The basis for the privilege or protection claimed, and if the privilege is governed by state law, the state's privilege rule being invoked.

11. For the purpose of these discovery requests, except to the extent specifically indicated in the "Definitions" section of this Set of Requests, the words used herein are considered to have, and should be understood to have, their ordinary, every day meaning and Plaintiffs refer Defendant to any collegiate dictionary such as *Webster's New World Dictionary*, Second College Edition by Prentice Hall Press. In the event Defendant asserts that the wording which has been used is somehow vague, ambiguous, unintelligible, indecipherable, confusing or such other boiler plate objections to avoid squarely addressing the specific discovery request, Plaintiffs refer Defendant to *Webster's Dictionary* for the plain meaning of the terms defined herein.

12. If you object to any request for production on the ground that it is overbroad, is unreasonably burdensome, or seeks information which is not relevant to the subject matter of this

action, you should state what you contend to be the proper scope of the request for production and respond in accordance with what you contend is the proper scope.

13. Unless otherwise specified, the relevant scope of discovery will be for the time period from January 1, 1992 through the present.
